between Sunbelt Freight Logistics, Inc. and Lone Star Capital Bank

Dated as of June 5, 2026

This LOAN AND SECURITY AGREEMENT (this "Agreement") is entered into as of June 5, 2026 by and between Sunbelt Freight Logistics, Inc., a Texas corporation ("Borrower"), with its principal place of business at 1650 Industrial Boulevard, Dallas, TX 75207, and Lone Star Capital Bank ("Lender"), with an office at 500 Main Street, Suite 1200, Fort Worth, TX 76102.

Borrower has requested that Lender make a revolving line of credit to Borrower in the principal amount of \$2,500,000.00, the proceeds of which will be used for the following purpose: working capital, funded by a revolving line secured by accounts and equipment. Lender is willing to make the Loan on the terms and subject to the conditions of this Agreement. In consideration of the mutual covenants below, the parties agree as follows:

ARTICLE 1 - DEFINITIONS AND CONSTRUCTION

1.1 Defined Terms. "Collateral" has the meaning given in Section 3.1. "Event of Default" has the meaning given in Section 6.1. "Loan" means the credit facility described in Section 2.1. "Loan Documents" means this Agreement, the Note, each financing statement, and every other agreement or instrument executed in connection with the Loan. "Obligations" means all principal, interest, fees, expenses and other amounts owing by Borrower to Lender under the Loan Documents. "Permitted Liens" means liens for taxes not yet delinquent and liens in favor of Lender. "UCC" means the Uniform Commercial Code as in effect in the State of Texas.

1.2 Construction. Headings are for convenience only. The words "include" and "including" are not words of limitation. Terms used and not defined in this Agreement that are defined in the UCC have the meanings given in the UCC.

ARTICLE 2 - THE LOAN

2.1 The Loan. Subject to the terms of this Agreement, Lender agrees to make a revolving line of credit to Borrower in the principal amount of \$2,500,000.00. Borrower's obligation to repay the Loan is evidenced by a promissory note of even date (the "Note").

2.2 Interest. The unpaid principal balance of the Loan bears interest at a variable rate per annum equal to the Prime Rate as published in The Wall Street Journal plus 0.75%, adjusting on each change in the Prime Rate. Interest is calculated on the basis of a 360-day year for the actual number of days elapsed.

2.3 Repayment. Borrower shall pay accrued interest monthly in arrears on the 5th day of each month commencing July 5, 2026. The entire unpaid principal balance and all accrued interest shall be due and payable on June 5, 2028 (the "Maturity Date"). Borrower may borrow, repay and reborrow up to the principal amount, subject to a borrowing base equal to 80% of Eligible Accounts plus 50% of Eligible Inventory.

2.4 Prepayment. Borrower may prepay the Loan in whole or in part at any time upon ten days' written notice to Lender, together with accrued interest on the amount prepaid. Partial prepayments are applied to installments in inverse order of maturity.

2.5 Late Charges; Default Rate. If any payment is not received within ten days after its due date, Borrower shall pay a late charge equal to five percent (5%) of the overdue amount. Upon an Event of Default, the Loan bears interest at a rate five percent (5%) per annum above the otherwise applicable rate.

2.6 Fees and Expenses. Borrower shall pay Lender an origination fee equal to thirty-five hundredths of one percent (0.35%) of the principal amount of the Loan on the date of this Agreement, and shall reimburse Lender on demand for all reasonable costs and expenses, including attorneys' fees, incurred in connection with the Loan.

Borrower shall give Lender thirty days' prior written notice of any change in its name, jurisdiction of organization, or chief executive office.

ARTICLE 4 - REPRESENTATIONS AND WARRANTIES

4.1 Organization; Authority. Borrower is duly organized, validly existing and in good standing under the laws of Texas, and has full power and authority to enter into and perform the Loan Documents. The Loan Documents have been duly authorized and are the legal, valid and binding obligations of Borrower.

The financial statements delivered to Lender fairly present Borrower's financial condition as of their dates. No litigation or governmental proceeding is pending or, to Borrower's knowledge, threatened that could reasonably be expected to have a material adverse effect.

6.2 Remedies. Upon an Event of Default, Lender may declare all Obligations immediately due and payable, and may exercise all rights and remedies of a secured party under the UCC, including taking possession of the Collateral, requiring Borrower to assemble the Collateral at a place designated by Lender, collecting accounts directly from account debtors, and selling the Collateral at public or private sale after reasonable notice. Lender's remedies are cumulative.

ARTICLE 7 - GENERAL PROVISIONS

7.1 Governing Law. This Agreement is governed by the laws of the State of Texas, without regard to conflict of laws principles.

7.2 Notices. Notices must be in writing and are effective when delivered by hand or overnight courier, or three days after mailing by certified mail, to the addresses stated in the first paragraph of this Agreement.

7.3 Waiver of Jury Trial. EACH PARTY WAIVES ITS RIGHT TO A JURY TRIAL IN ANY ACTION ARISING OUT OF THIS AGREEMENT OR THE OTHER LOAN DOCUMENTS.
